- Maintains OnStar Functionality

Also Available:

- Navigation Version (Displays Camera Image Directly Onto Factory Navigation Radio Screen)
- Mirror Only (With Power Harness)

Gate-mounted backup camera with integrated 3.5" LCD Rearview Mirror. A popular option for buyers of new Chevy Silverados and GMC Sierras.

IT'S YOUR TURN TO CORNER THE MARKET!

Finally, thanks to an exclusive insider deal, you can corner the market on the exact same OEM factory-sold Rear-Vision System for 2007-2009 Silverados and Sierras.

Watch as GM dealers line up to purchase this highly-sought accessory right from you!

IT'S A WIN-WIN!

**Dealers Save Over \$200 And
You Make \$100 On Every Unit!**

Dealers normally pay \$699 for these popular kits from the GM factory, but now through this exclusive arrangement, they can buy them from you for just \$495!

Our pricing to you is just \$395, so you'll make \$100 on every unit sold!

We handle drop shipments too! For details and pricing, please call (877) 276-6456.
